**WELCOME ABOARD NAVY MEDICINE READINESS AND TRAINING COMMAND
AND
NAVAL HEALTH CLINIC CHERRY POINT**

“KEEPING THE WARFIGHTER IN THE FIGHT”

Congratulations on your assignment to Navy Medicine Readiness and Training Command (NMRTC) and Naval Health Clinic Cherry Point. On behalf of the entire team, it is my pleasure to welcome you to our command and to “America’s Air Station,” Marine Corps Air Station Cherry Point.

Here, we operate in a vital dual capacity. You will support the patient-centered healthcare mission of Naval Health Clinic Cherry Point while ensuring your combat readiness as part of NMRTC Cherry Point. Together, we live this dual mission through our motto of “Keeping the Warfighter in the Fight.”

During your time here, you will play a critical role in the combat readiness of 2nd Marine Aircraft Wing, in the wellness of the families of Sailors and Marines assigned to the unit and living on base, and in the operational readiness of Fleet Readiness Center East.

I, the Navy, and our Nation expect you to be ready to deploy in support of expeditionary and combat operations on short notice. Your physical fitness and occupational skills are equally important, and you should be improving upon them each day while assigned here.

Every member of our team plays a vital role in supporting Warfighter readiness, and I am confident you will greatly contribute to our mission.

Our Command Sponsorship team is committed to ensuring your transition is as smooth as possible. Remain in close contact with your sponsor who can assist you with reporting procedures, local resources, and any questions you have prior to your arrival. There is a tremendous amount of resources available to you at no cost to aid in your transition – and, if accompanied, your family’s transition - to the base and the Eastern North Carolina region.

Welcome aboard. I look forward to your arrival and your contributions.
